

National Audio Company

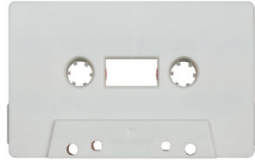

Shell Colors Currently Available for Cassette Duplication

NOTE: These shells are TABS-OUT to protect the recorded program from accidental over-recording or erasure. Contact us to for a sample if you need to be sure of the exact color of a shell. Appearance of this document may vary due to screen and printer differences, and colors of shells and small details (such as liners or leaders) may change even within a manufacturing run of shells. Availability cannot be guaranteed.

Can be LABELED only, no imprinting

Cassette shell colors change periodically and availability is determined by supply. Refer to the Ink Color Chart to see the selection of available imprint colors.

PLEASE NOTE: Most ink colors are translucent and the resulting image color may appear as a mix of the ink color and the shell color.
