

NATIONAL AUDIO MUSIC USE AGREEMENT

I, _____, as representative of the band, give permission to National Audio Company, Inc. to use the track listed below in a compilation of music duplicated on audio cassette tape to be released for Cassette Store Day (October 12, 2019). I vouch that the track we are submitting is an original composition and recording (not a cover) and the intellectual property of the artist/band. The tape will be produced one time in an unspecified quantity and will be sold or given away by National Audio, Springfield retailers, and the other bands represented in the mixtape. I also agree to NAC's use of my track for promotional purposes related to the tape and Cassette Store Day 2019.

The band warrants that all necessary licensing and permissions have been obtained for the duplication and distribution of this recording. If a third party such as the recording studio, mastering studio, or other entity involved in the production of this recording has claim to any rights to the duplication of its content, I will hold National Audio Company harmless in case of any dispute or copyright claim.
